## AMENITIES

You have the run of the entire space, including: great room with ergonomic seating, high-speed Internet access and really, really good audiovisual equipment; lounge with pool table and 60-inch plasma screen TV; professional kitchen; rooftop deck; and focus group suite.

## CATERING

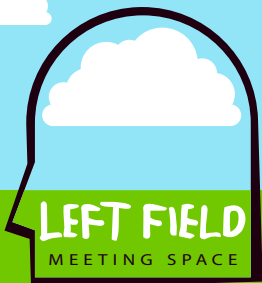

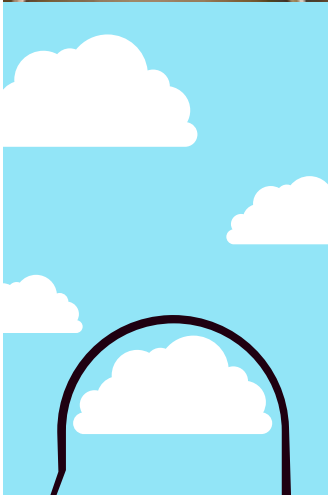

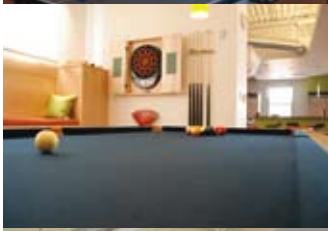

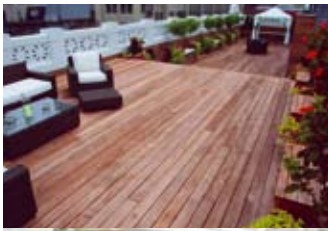

We've got a few preferred caterers you could hire—*big Catering*, *Sausalido*, and *Panera Bread*®—who really know the space. But if you'd like to use a different caterer, that's totally okay.

## PARKING

There are parking lots and garages close by. For locations and rates, go to [www.alcoparding.com](http://www.alcoparding.com).
